

DTRACK COMBI

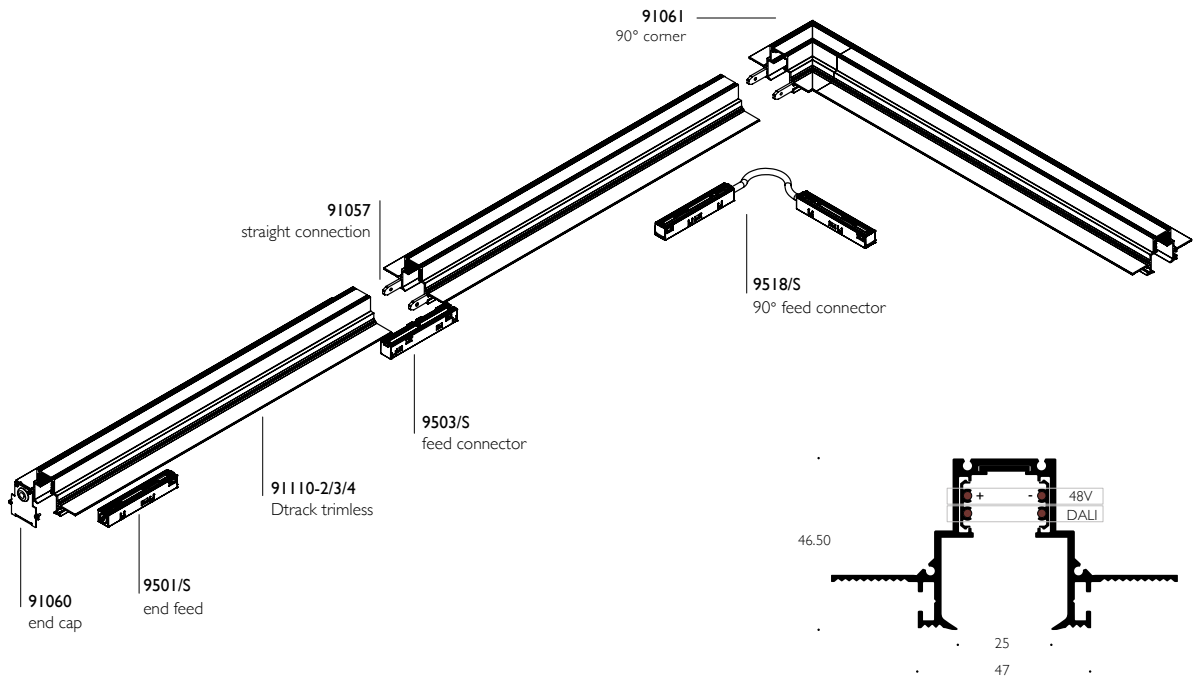

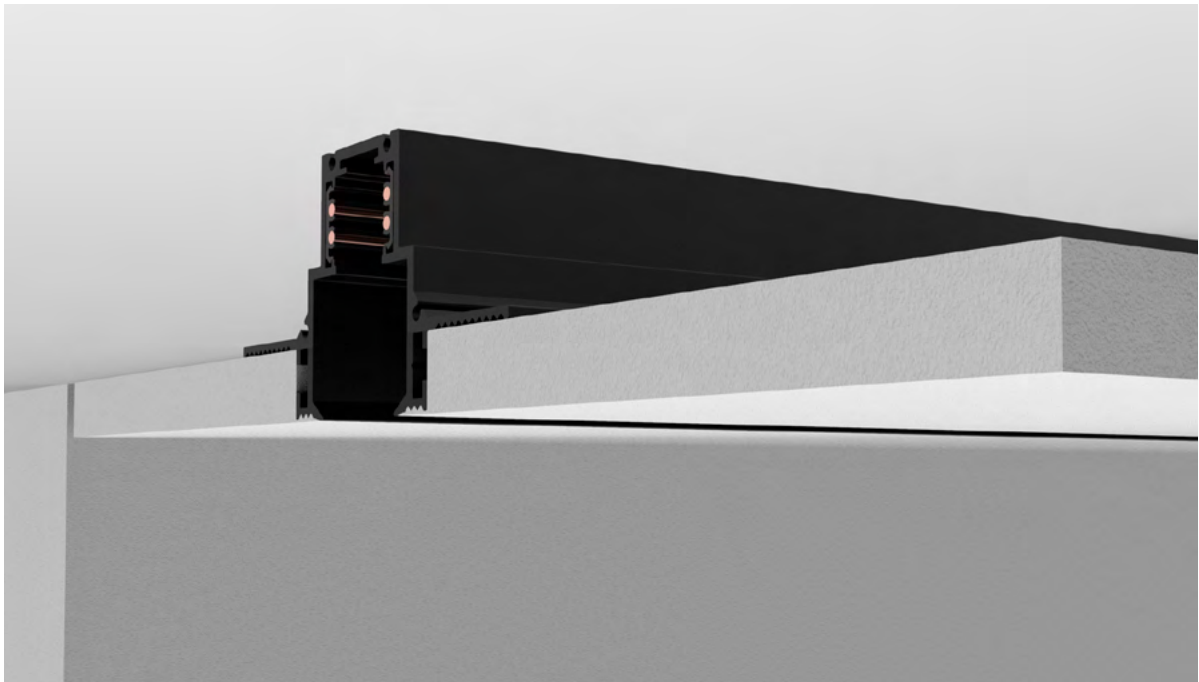

Dtrack Combi is 48V modular track system with one circuit of 15A max supply current and second circuit for databus. Versions for surface, suspended and recessed installation available. The recessed version is for plasterboard with thickness of 12.5mm. Tracks are up to 4m length in black or white color.

System includes spotlights for accent lighting, linear LED lines with opal or darklight optics and suspended fittings. Modules can be easily installed or reinstalled without tools.

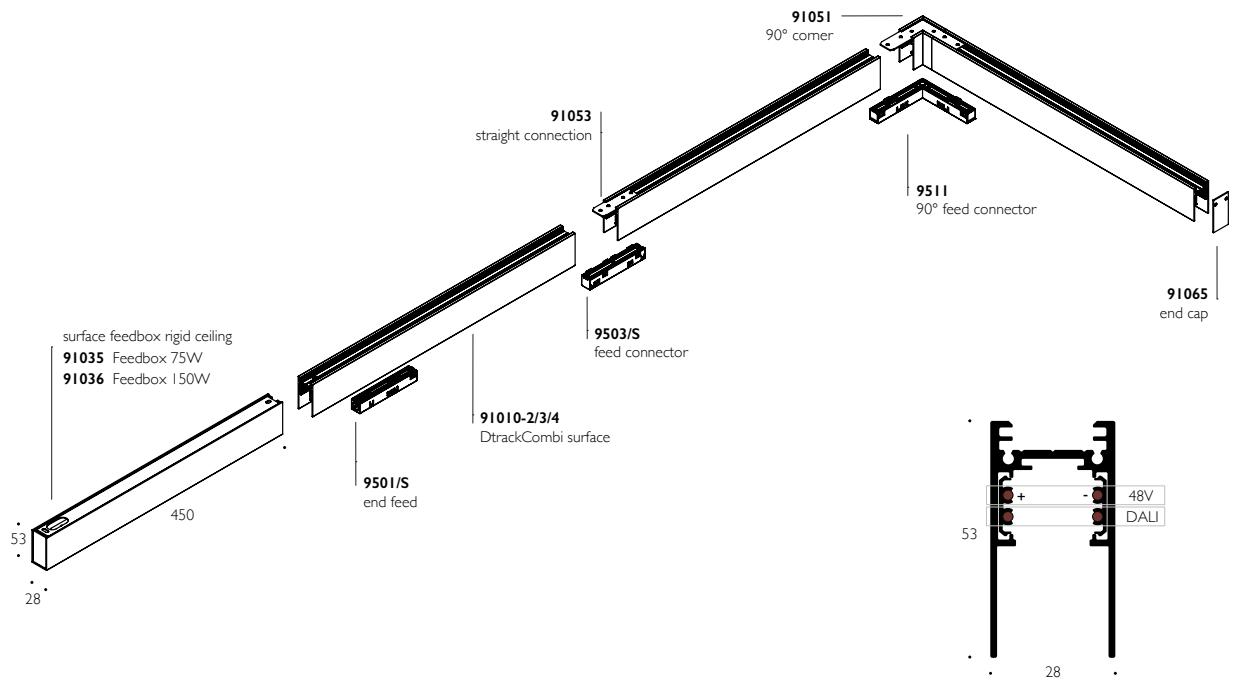

On/Off modules are with On-Board dimmer.

DALI or pushdim versions available.
